Good News from the Mountain

March 2021 Newsletter

IT HAS BEEN A MINUTE!

It has been a longtime since we have been together! In fact, our last in-person worship on the Mountain was held on Wednesday, November 11, 2021. So much has taken place from then until now. Thanksgiving, Christmas, New Years, Valentine's Day, and Ash Wednesday. We have endured sickness, death of special people, pandemic procedures, and a long cold winter, but we have been surrounded by the living, loving presence of our God. God has been with every step of the way.

Even though we were unable to meet on the Mountain that did not mean the Good News had to end. We were once again able to partner with Beaver County Radio to spread God's good word and the good news from the Mountain throughout the winter months.

Now, the snow has melted, the weather is above freezing, and spring is near!

On the COVID-19 front, the amount of available vaccines are rising, and the number of positive cases are dropping. Slowly restrictions are being lifted.

With the improvements in the COVID-19 situation, we are planning on returning to the Mountain on the first Wednesday in April (April 7, 2021).

RADIO SHOW SUCCESS

Back in November, when COVID-19 cases were rising and the transition to the winter months was beginning to occur, meeting outdoors was no longer feasible, we relaunched our radio ministry program "Good News from the Mountain." We were able to build upon our prior success and once again had several new and repeat listeners each week. Hopefully when we return to the Mountain we will be blessed with the opportunity to welcome some new faces that heard of us through the radio or online!

*Thank
you*

We have some very special people we would like to thank and recognize for sponsoring our radio & podcast ministry:

David Hodge, John Long, Pat Galbreath, Mary Hargett, Ken & Joni McCaughtry.

Our leadership team thanks you for your generous contribution that allowed us to continue to share Good News during uncertain times.

IT IS TIME TO RETURN TO GOD'S HOLY MOUNTAIN

I think we can all agree, it is time to hear some Good News!

Good News! We will be returning to the Mountain on Wednesday, April 7, 2021 at 7:00 PM for a new season of Worship!

We will be following all safety procedures (wearing masks, social distancing, and keeping all aspects of our worship together safe)

We will be worshipping at 7:00 PM every Wednesday Evening at the Prayer Mountain Retreat Center in the worship areas of: Faith Chapel, The Tabernacle, and the outdoor pavilion.

We are now called to extol the Lord Our God and worship at His Holy Mountain! Why? For the Lord.
Our God is Holy!

We invite you

Wednesday Evening worship is a great opportunity to worship our God and grow in our discipleship in Jesus Christ.

We hope to see many new faces as we begin a New Season of Worship.

PASTOR ROD'S WORD

It has been a longtime since we have gathered on the Mountain for Holy Worship. During this time we have been blessed by the presence of God with us during this time in the valley. God has blessed us with the Good News from the Mountain Radio Ministry Program. We have had many tough circumstances to get through. We lost one of our Leadership Team Members, Marge Stoker. She was a faithful servant of Jesus Christ. Her witness and work on the Mountain will always be remembered.

Many people have gone through health issues, hospitalizations, and many tough and difficult times. Yet, God has been with us and his Holy presence has surrounded us with love and strength.

We need some Good News!

We have the Good News that we will be returning to Prayer Mountain for Wednesday evening worship beginning at 7:00 PM on April 7th, and every Wednesday evening thereafter.

We have the Good News of the gospel of Jesus Christ that we are all saved by grace of loved by God unconditionally.

We will continue to be safe by wearing masks and social distancing, but thanks be to God that God will be in our midst and not just spiritually, but surrounding us with up close and personal love.

Get the word out!

Invite some friends!

Let us gather on the Mountain on April 7th and began a new and dynamic season of worshipping God on His Holy Mountain!

The Best is Yet to Come
He Restoresh My Soul

Blessings,
Pastor Rod Smith.
